

**HUD Lead Based Paint Disclosure**  
**Effective Date 10/1/04**

HUD, its Contractors and the Selling Brokers working with the Department in the sale of HUD-owned properties, must fully comply with the requirements of the Lead Disclosure Rule (24 CFR 35, subpart A) with respect to the sale of all properties constructed before 1978.

1. **At Listing** – With respect to each property constructed before 1978, the Contractor shall, based on the information contained in the lead related reports or records known to the Contractor:
  - a. Complete and sign the appropriate Lead-Based Paint Disclosure Addendum (Addendum) indicating that the Seller does or does not have reports and records related to lead-based paint or lead hazards in the subject property, and post the signed Addendum on the property listing web site at the time the property is listed. The electronic version of the signed Addendum, and any supplements, shall accurately reflect the information in the paper version of the ink-signed Addendum, and any supplements. The electronic version of the Addendum, and any supplements, shall be capable of being printed, saved, or otherwise reproduced in the future by the Selling Broker and the Purchaser, if the Purchaser is not represented by a Selling Broker.
  - b. Include in the Property Condition Report for each property constructed before 1978, all available lead information, including as attachments to the Addendum, full copies of all lead-based paint inspection reports, risk assessment reports and/or other records pertaining to lead-based paint and/or lead-based paint hazards. The Property Condition report and all attached reports shall be posted on the property listing web site and listed on the Addendum.
  - c. No later than two (2) business days after receipt, post on the property listing web site, all records or reports related to lead-based paint or lead-based paint hazards that are obtained by the Contractor subsequent to the initial property listing.
  - d. Upon request of the Selling Broker or prospective Purchaser, provide all available reports and records to prospective bidders in paper format.
2. **Before Bid Submission** – Through Selling Broker training and instructions published on the our website, we are required to:
  - a. Provide the consumer electronic disclosures to the Selling Broker (or prospective Purchaser if he or she is not represented by a Broker), pursuant to 15 USC 7001 (c). Obtain the consumer electronic consents (or electronic confirmation of consent) from the Selling Broker (or prospective Purchaser if he or she is not represented by a Broker), pursuant to 15 USC 7001 (c). Direct the Selling Broker to download the Addendum and all available lead records and reports from the property web listing and deliver paper (or hard) copies of them to the potential Purchaser for review. The Purchaser's signature line on the Addendum shall be left blank pending acceptance of the bid.

- b. Direct the Selling Broker to provide potential Purchasers with a copy of the EPA-approved pamphlet “Protect Your Family from Lead in Your Home.” The pamphlet can be downloaded from the HUD web site in English or Spanish, at the following address: **[www.hud.gov/offices/lead/disclosurerule/index.cfm#forms](http://www.hud.gov/offices/lead/disclosurerule/index.cfm#forms)**. A black-and-white camera-ready copy of the pamphlet ready for printing can be obtained from the National Lead Information Clearinghouse, at 1-800-424-LEAD, or **[www.epa.gov/lead/nlicdocs.htm](http://www.epa.gov/lead/nlicdocs.htm)**.
- c. Notify Selling Brokers that they can obtain additional information on the Lead Disclosure Rule from the National Lead Information Clearinghouse (sponsored by HUD, EPA and the Centers for Disease Control and Prevention) by telephone at (800) 424-LEAD, or **[www.epa.gov/lead/nlic.htm](http://www.epa.gov/lead/nlic.htm)**. Questions can be submitted by e-mail, and documents can be ordered at this site. Other information on the Lead Disclosure Rule is available from HUD’s website, **[www.hud.gov/offices/lead](http://www.hud.gov/offices/lead)**.

3. **Following Bid Acceptance** – After the contractor accepts a bid, the Contractor shall:

- a. Ensure that the Selling Broker obtains the Purchaser’s signature and date on the Addendum and returns the Addendum to HUD along with the sales contract. The date of the Purchaser’s signature on the Addendum will be the commencement date of the fifteen (15) day *lead* contingency period.
- b. Deliver to the Selling Broker by overnight delivery any and all additional lead reports or information on the subject property that become available and were not posted on the website for retrieval prior to bid submission as well as a supplemental Lead-Based Paint Disclosure Addendum (supplemental Addendum), acknowledging receipt of any additional lead related documents.
- c. *If applicable*, ensure that the Selling Broker delivers the additional reports and information to the Purchaser and obtains the Purchaser’s signature on the supplemental Addendum and returns it to HUD.
- d. In the case of a sale where a Selling Broker does not represent the Purchaser, the Contractor shall complete the appropriate Addendum, entering "N/A" on the lines for Selling Broker’s signature. The Contractor shall sign on behalf of the Seller and deliver the Addendum to the Purchaser along with full copies of all lead related records and reports and a copy of the EPA-approved pamphlet “Protect Your Family from Lead in Your Home”. The date of the Purchaser’s signature on the Addendum shall be the commencement date for the fifteen (15) calendar day contingency period.

**Lead Warning Statement**

Every Purchaser of any interest in residential real property on which a residential dwelling was built before 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The Seller of any interest in residential property is required to provide the Purchaser with any information on lead-based paint hazards from risk assessments or inspections in the Seller’s possession and notify the Purchaser of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended before purchase.

**Seller Acknowledgement and Contingency Period**

Reports and records are available for downloading and review from the property listing web site, and copies have been provided to the Purchaser. Purchaser has a contingency period to withdraw from the contract that expires fifteen (15) calendar days from the date of the Purchaser’s signature below. Because the Purchaser had access to lead records and reports before submission of its bid, the Purchaser may withdraw from the purchase contract by providing written notice of withdrawal on or before the contingency expiration date (as evidenced by the postmark on the Purchaser’s notice of withdrawal), but is not entitled to a refund of earnest money, *unless* the Purchaser obtained an independent lead-based paint inspection performed by a Certified Lead-Based Paint Inspector or Risk Assessor and the Purchaser provides the Seller with a copy of the inspection report

**The findings of the records or reports provided by the Seller are as follows:**

- \_\_\_\_\_ No lead-based paint or lead-based paint hazards were found.
- \_\_\_\_\_ Lead-based paint and/or lead-based paint hazards were found. None of the lead-based paint was deteriorated.
- \_\_\_\_\_ Lead-based paint and/or lead-based paint hazards were found. Some of the lead-based paint was deteriorated and Seller has already completed the required stabilization. The lead-based paint stabilization plan and the lead clearance report showing that acceptable levels were met are available for downloading from the property listing web site, and have been provided to the Purchaser as evidenced by the signature(s) below. No further stabilization is planned.
- \_\_\_\_\_ Lead-based paint and/or lead-based paint hazards were found. Some of the lead-based paint was deteriorated. Seller caused to be prepared a lead-based paint stabilization plan

that is available for downloading from the property listing web site and has been provided to the Purchaser as evidenced by the signature(s) below.

**Financing Type (Selling Broker to initial applicable item)**

\_\_\_\_\_ ***No FHA Financing of pre-1960 property, or no FHA Financing of 1960-1977 property that has lead records from previous owner(s) or from Seller:*** If the purchase of this property is not being financed with an FHA insured loan, the Seller will not complete any additional inspection, testing or clearance. The Purchaser has a contingency period to review reports provided by the Seller or to conduct independent investigation or assessment that expires 15 days from the date of the Purchaser's signature below.

\_\_\_\_\_ ***Any FHA Financing Except 203(k):*** This property is being sold subject to FHA insured financing under a program other than a 203(k) Rehabilitation Mortgage and, as disclosed above by the seller, deteriorated lead-based paint was found. If the Seller has not already done so, the Seller agrees to stabilize the deteriorated lead-based paint in accordance with the stabilization plan and obtain lead clearance by the close of the escrow period or any extensions thereof.

\_\_\_\_\_ ***FHA 203(k) Financing:*** This property is being sold subject to a 203(k) Rehabilitation Mortgage and, as disclosed above by the seller, deteriorated lead-based paint was found and the Seller has not already completed stabilization and clearance. The Purchaser shall stabilize the deteriorated lead-based paint as part of its work plan for the property rehabilitation and shall obtain lead clearance before occupancy. Purchaser shall complete the 203(k) Rehabilitation Financing Lead Agreement form.

**Purchaser Acknowledgement (initial applicable items)**

\_\_\_\_\_ Purchaser has received the pamphlet *Protect Your Family from Lead In Your Home*.

\_\_\_\_\_ Seller has provided, and Purchaser has received, copies of the records and reports available to the Seller. A list of lead-related records and reports is attached.

\_\_\_\_\_ Purchaser has received a 15-day opportunity to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards..

The Seller of any interest in residential property is required to provide the Purchaser with any information on lead-based paint hazards from risk assessments or inspections in the Seller's possession and notify the Purchaser of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended before purchase.

**Inspection Contingency**

Seller has no records or reports pertaining to lead-based paint and/or lead-based paint hazards. The Purchaser has a contingency period that expires fifteen (15) calendar days from the date of the Purchaser's signature below, to conduct at the Purchaser's expense, an independent lead-based paint inspection, visual assessment for deteriorated paint, or risk assessment. The Purchaser may withdraw from the contract by providing written notice of withdrawal on or before the contingency expiration date (as evidenced by the postmark on the Purchaser's notice of withdrawal). The Purchaser will be entitled to a refund of earnest money only if the Purchaser obtains an independent lead-based paint inspection performed by a Certified Lead-Based Paint Inspector or Risk Assessor, and the Purchaser provides the Seller with a copy of the inspection report.

**Financing Type (Selling Broker to initial applicable clause)**

\_\_\_\_\_ ***No FHA Financing of 1960-1977 Property:*** The purchase of this property is not being financed with an FHA insured loan. The Purchaser has an inspection contingency that expires 15 days from the date of the Purchaser's signature below. The property is being sold as is with respect to all conditions including, subject to the above contingency, the potential presence of lead or lead-based paint hazards.

\_\_\_\_\_ ***Any FHA Insured Financing Except 203(k):*** This property is being sold subject to FHA insured financing under any program other than a 203(k) Rehabilitation Mortgage. Upon contract execution the Seller will procure a lead-based paint inspection and will deliver the inspection report to the Selling Broker by overnight delivery service along with a paint stabilization plan and cost estimate if deteriorated lead-based paint is found and a supplemental Lead-Based Paint Disclosure Addendum.

The Purchaser shall have the right to review the inspection report, paint stabilization plan and cost estimate. If the Purchaser is dissatisfied with the information provided, the Purchaser may withdraw from the contract and receive a full refund of earnest money by providing written notification to the Seller of the intention to withdraw. Written notification must be postmarked by the later of fifteen (15) calendar days from the date of the Purchaser's signature below or two (2) business days following the date of the Purchaser's signature on the supplemental Lead-Based Paint Disclosure Addendum.

If deteriorated lead-based paint was identified in the Report and the Purchaser does not exercise its option to withdraw from the sale contract, the Seller will stabilize the deteriorated lead-based paint in accordance with the stabilization plan and obtain lead clearance by the close of the escrow period or any extensions thereof.

\_\_\_\_\_ ***FHA 203(k) Financing:*** This property is being sold subject to a 203(k) Rehabilitation Mortgage. Upon contract execution the Seller will procure a lead-based paint inspection and will deliver the Report to the Purchaser by overnight delivery service along with a lead-based paint stabilization plan, if deteriorated lead-based paint is found, and a supplemental Lead-Based Paint Disclosure Addendum.

The Purchaser shall have the right to review the inspection report, paint stabilization plan and cost estimate. If the Purchaser is dissatisfied with the information provided, the Purchaser may withdraw from the contract and receive a full refund of earnest money by providing written notification to the Seller of the intention to withdraw. Written notification must be postmarked by the later of fifteen (15) calendar days from the date of the Purchaser's signature below, or two (2) business days following the date of the Purchaser's signature on the supplemental Lead-Based Paint Disclosure Addendum.

If deteriorated lead-based paint was identified in the Report and the Purchaser does not exercise its option to withdraw from the sale contract, the Purchaser shall stabilize the deteriorated lead-based paint as part of its work plan for the property rehabilitation and shall obtain lead clearance before occupancy. Purchaser shall complete the 203(k) Rehabilitation Financing Lead Agreement form.
